Allows optimal protection of the eyes !!

This mask is the final result of a collaboration between the company Vega, optics specialists and military services.

The goal was to come up with a mask with superior performance and quality.

Injection molding frame with superior material, complies with all ANSI / ZEA Z87.1 / 2010, it MILDTL-43511D and STANAG2920 V50 = 223 m / s.

"RAM" lenses have a specific anti-scratch and anti-fog treatment.

The elastic has a double adjustment loop and a silicone band for better positioning.

The lenses are available in 3 different colors: white, gray for the sun state, yellow for the fog / dark conditions.
