Accuracy and visibility with stabilized flat head

The **GECO .40 S&W FMJ FN** is a round designed for intensive sport shooting. Its 180-grain flat-nose bullet improves target cutting and makes hits easier to read. It ensures smooth feeding and enhanced stability, suitable for semi-automatic pistols chambered in .40.

Constant trajectory and controlled energy

With a muzzle velocity of 312 m/s, this ammunition delivers an initial energy of 562 J. It maintains excellent ballistic performance up to 50 meters, with stability appreciated in disciplines such as IPSC or precision shooting.

- **At 0 m (mouth):** 312 m/s – 562 J
- **At 10 m:** 306 m/s – 548 J
- **At 25 m:** 301 m/s – 530 J
- **At 50 m:** 292 m/s – 497 J

A standard for regular shooters

Developed with quality components (brass, reliable primer, jacketed bullet), the GECO .40 S&W FMJ FN guarantees consistency and safety on all compatible weapons. A technical, robust and range-tested choice.
