### Chiappa carbine faithful to the original!

The M1 Carbine is a lightweight, easy-to-use semi-automatic rifle that became the weapon of the United States Army during World War II, the Korean War, and the Vietnam War.

It has been sold over 6.5 million units.

The M1-9 from Chiappa Firearms is a reproduction with hammer lock system.

The barrel and breech block are in steel, trigger guard, stock and magazine are in polymer.

The 10 round magazine has a straight line like the original, the stock can be replaced with the original.
