A robust and timeless shotgun for lovers of vintage and performance!

The **Mossberg 590 Retrograde** 12-gauge pump-action shotgun 20-inch smoothbore barrel

Its retro design is highlighted by a **walnut stock and foregrip** ultra-reliable pump action system 8+1-round

The **Mossberg 590 Retrograde** embodies the perfect balance between **authenticity and modernity**. Its design is inspired by the military rifles of yesteryear, while incorporating the technical characteristics of a modern tactical rifle.

Its **smooth and precise pump action mechanism** ensures immediate responsiveness in shooting situations. Thanks to its robust construction, this shotgun is designed to withstand extreme conditions and intensive use. Its **8+1 shot capacity** makes it a top choice for security professionals and sport shooters looking for reliability and power.

The grip is improved thanks to an **ergonomic wooden stock**, providing both comfort and aesthetics. The Ghost Ring sights offer **rapid target acquisition**, even in low light conditions.

With its **51 cm barrel with fixed cylinder choke**, it allows for dispersed shooting, ideal for close-quarters defense situations. This model is also **compatible with a bayonet**, an additional advantage for fans of tactical shooting and historical reenactment.

The advantages of the Mossberg 590 Retrograde

- ?? **Retro look and neat finish** for a unique style
- ?? **8+1 round capacity** for maximum firepower
- ?? **Wooden stock and handguard** for an ergonomic grip
- ?? **Ambidextrous safety and barley grain sight** for better accuracy
- ?? **Robust construction** suitable for extreme conditions

FAQ - Frequently Asked Questions

? What is the barrel length of the Mossberg 590 Retrograde?

It is equipped with a **51 cm (20 inch)** barrel with fixed cylinder choke, ideal for tactical shooting and defense.

? **Can a bayonet be mounted on this model?**

Yes, this shotgun is **compatible with a bayonet** , an asset for tactical shooting and collection enthusiasts.

? **Does the rifle come with any accessories?**

This rifle is equipped with a heat deflector (also called a ventilated band) on the barrel which helps prevent mirages generated by heat when firing.

? **What type of ammunition to use?**

It is compatible with **12/70 and 12/76 (Magnum) caliber** cartridges. Proven with steel balls, the Mossberg 590 retrograde is compatible with lead-free cartridges.

? **Is it suitable for sport shooting?**

Yes, its ergonomic design and magazine capacity make it an excellent choice for **dynamic shooting and tactical training** . Classified in category B, it is strictly prohibited for hunting.
