Mechanical simplicity and optimized capacity for 10 long guns.

The **WALDBERG First 10 gun safe** is a double-lock model with keys, designed for safe, simple and efficient storage of up to 10 long guns, with an integrated ammunition compartment.

- **Capacity:** up to 10 long guns
- **Locks:** 2 independent key locks
- **External dimensions:** 150 x 52 x 36 cm
- **Steel thickness:** door 3 mm, walls 2 mm
- **Ammunition box:** 25 x 25 x 22 cm
- **Closure:** 2 x 2 mobile locking points
- **Fixing:** screws and concrete anchors supplied
- **Storage:** 6 weapons at the bottom, 2 on each side
- **Accessories:** interior carpeting, removable shelf

A robust mechanical safe for 10 long guns

The **WALDBERG First** is an ideal solution for users seeking a **safe without electronics** . Thanks to its **double key lock** system, it allows controlled access without relying on batteries or digital components. A smart choice for **durability** and simplicity.

Ingenious U-shaped storage for 10 weapons

This model can hold up to **10 long guns** in a U-shaped configuration: 6 rifles at the back and 2 on each side. A **removable shelf** allows space to accommodate a long-barreled rifle (up to 148 cm). The interior is lined with **gray carpet** to protect your firearms.

- **Layout:** 6 weapons at the back + 4 on the sides

- **Removable shelf:** allows for the storage of a barrel > 76 cm
- **Usable height:** between 126 and 148 cm depending on the layout
- **Fixing:** 4 points on the floor + 4 on the wall

Double secure lock with side bolts

The **locking mechanism** uses two independent locks, each operating **two moving bolts** . This ensures reliable mechanical security without the risk of electronic failure. Four keys are provided: two for each lock.

Legal compliance and simplified installation

Compliant with **storage requirements for category B firearms** , this safe offers a simple, effective, and affordable alternative. It comes with concrete anchors, screws, and everything needed for **mandatory floor or wall mounting** .

Fast delivery, directly to your home

The safe is delivered **free of charge** within mainland France (excluding Corsica), to ground floor, unopened. A **flat fee of €50** applies for Corsica. Orders can be placed directly with your gunsmith.

FAQ

Does the safe work without electricity?

Yes, it is entirely mechanical with two independent key locks. No electronic system is integrated.

What is the arrangement of the weapons inside?

Six weapons can be stored at the bottom of the chest, and two on each side, thanks to an integrated U-shaped rack.

Is this model suitable for rifles with long barrels?

Yes, by removing the shelf to the right of the ammunition box, you can fit a rifle up to 148 cm in it.
