Extended capacity for demanding users

The **WALDBERG First 18-gun safe** is a high-capacity gun safe designed for users with a substantial collection of long guns. At 150 cm high and 54 cm wide, it provides **organized and accessible** storage for up to 18 firearms, depending on their size.

Double lock with keys and 4-bolt locking mechanism

No code, no batteries: security here relies on two **independent key locks** , each operating two moving bolts. Opening requires both keys, adding an **effective layer of physical protection** against forced or unauthorized entry.

Practical and compliant facilities

The safe incorporates a **closed ammunition compartment** in the upper section, with a **removable shelf** to adjust the interior volume. A **long-barreled rifle** can be accommodated by removing this shelf. The bottom of the safe is lined with **gray carpet** to protect against wear and impacts.

- **Usable interior height:** from 126 to 148 cm
- **Interior dimensions of the ammunition box:** 32 x 26 x 22 cm
- **Fixing required:** to the floor and/or wall (kit included)
- **Colour:** black with WALDBERG logo (screen printed or sticker)

Legal compliance and versatile use

The safe meets the secure storage requirements for **category B firearms** and is also suitable for categories **C and D.** Its large capacity is ideal for enthusiasts, clubs, or shooting professionals who need to effectively protect their equipment.

Home delivery by courier
