A discreet, compliant and secure safe

Perfectly suited for the regulated storage of **Category B handguns** , this WALDBERG safe fits easily into a cupboard or under a desk. Its compact size allows you to protect one or two handguns with their essential accessories, without taking up unnecessary space.

Mechanical double-bolt lock

The locking system uses a robust **key lock** with **two cylindrical bolts** . A set of **two keys** is provided. Opening is smooth and reliable, requiring no electrical power. Ideal for users who prefer mechanical simplicity to electronics.

Reinforced steel structure

With a **3 mm thick door** and **2 mm** thick walls, the safe resists basic forced entry attempts. The **one-piece construction** ensures optimal sturdiness for worry-free storage.

Ease of everyday use

The interior is designed entirely to protect your equipment: the **bottom is lined** with **grey carpet** to protect the metal surfaces from scratches. The door opening provides unobstructed access to the entire compartment, making it easy to handle.

Quick and secure installation

Each safe comes with a **concrete fixing kit** : anchoring to the ground or wall depending on your configuration. **Fixing is mandatory** for storage that complies with the requirements of **category B.**
