**High quality and innovative tool for the repair and maintenance of all types of weapons**

- Multi-axis vice
- Developed exclusively for weapons
- Steel jaws
- Safe-jaws reversible plastic and foam
- Tilts in all directions
- simple and effective locking

An innovative tool specially developed for gunsmiths.

It allows the maintenance, repair and disassembly of a long gun or handgun. Its inclination possible in all directions with locking, makes it easy to work on each part of your AR15 or your pistol.

REAL AVID has thought of everything in this model of vice. In addition to the great quality provided by the manufacturer, he made his tool easy to use.

It provides great rigidity while preserving the wood of its stock or the plastic with its overjaws which can be installed on the non-slip plastic side or on the absorbent foam side.

Your barrel change, your scope adjustment, or the cleaning of your weapon will be much easier with the REAL AVID master gun sight.
