**A discreet carrying case that adapts to all types of compact pistol**

- Universal "Inside" type holster for maximum discretion
- for compact and ultra compact gun
- Made of polymer
- Passive retention system adjustable by an elastic cord
- Anti-tearing belt hooks
- Rear polymer plate providing wearing comfort
- Adjustable tilt and height

An ultra discreet and comfortable holster for missions in civilian clothes of the judicial police, surveillance or close protection.

Its elastic adjustment system allows it to adapt to all types of compact and sub-compact semi-automatic pistol platforms (GLOCK 26, GLOCK 43, SIG P320 compact, etc.)

To adapt to all types of carrying (front or back), the VEGA Bungy holster is adjustable in inclination and in two height positions.

Its clamp fastening system coupled with retention hooks makes it safe for the most difficult missions. It will prevent any attempt to tear off or unwanted loss of the holster.
