**A rigid and resistant magazine holder with MOLLE attachment system**

- Machined from injected polymer with rubber coating
- Compatible with all AR15 loader models in 223 Rem.
- Adjustable system with elastic ties
- Interchangeable mounting system for a plate allowing mounting on a belt or other (Optional)
- Pre-equipped on its front face with a plate allowing the addition of an additional magazine holder
- Available in Black, TAN and OD GREEN colors

A quality accessory for professional use, which can be mounted on a license plate holder or on a belt.

Its elastic adjustment system makes it possible to adapt the VEGA Bungy magazine holder to all types of STANAG or non-STANAG magazines. This system also makes it possible to adjust the amount of retention applied to the magazine.

Its design in injected polymer makes it ultra resistant to the worst treatments it may undergo.
