**A rigid and resistant magazine holder with MOLLE attachment system**

- Machined from injected polymer with rubber coating
- Compatible with all dual stack pistol magazine models
- Adjustable system with elastic ties
- MOLLE attachment system
- Pre-equipped on its front face for mounting a rotary stage
- Available in Black, TAN and OD GREEN colors

A quality accessory for professional use, which can be mounted on a license plate holder or on a belt.

Its elastic adjustment system allows the VEGA Bungy magazine holder to be adapted to all types of semi-automatic pistol magazines. This system also makes it possible to adjust the amount of retention applied to the magazine.

Its design in injected polymer makes it ultra resistant to the worst treatments it may undergo.
