An innovative and versatile solution for shooters and hunters with compatible equipment for Picatinny and Arca Swiss rail.

This rail allows mounting on KJI tripods but also to adapt a large part of the bipods present on the market.

Initially dedicated to professional use, the KJI shooting supports allowed unparalleled shooting comfort and reduced fatigue for a shooter who had to keep his position for hours.

Offered to hunters and sport shooters, KJI products allow shooting with incredible precision at ever greater distances.
