This silencer has been specifically developed to be mounted on the original HK MP5 muzzle brake. Its steel design makes it resistant to full auto shots.

In addition to the acoustic reduction, it reduces the recoil of the weapon, for even more stability when shooting, and eliminates the thermal signature of the shot.

Small arms industries is a company based in Denmark, with a long and strong experience in silencers for military purposes.

Their products equip many police units and armed forces around the world.
