Securely store up to 10 long guns with the WALDBERG digital lock.

The **WALDBERG digital 10-gun safe** provides secure and compliant storage for long guns with electronic code locking. Compact, robust, and practical, it includes a lockable ammunition compartment.

- **Capacity:** up to 10 long guns
- **Lock:** electronic combination lock + emergency key
- **External dimensions:** 145 x 45 x 32 cm
- **Steel thickness:** door 3 mm, walls 2 mm
- **Ammunition compartment:** 29 x 21 x 20 cm
- **Closure:** 8 points (5 movable bolts, 3 fixed)
- **Fixing:** concrete anchors supplied
- **Interior rack:** 10 slots + removable shelf
- **Accessories:** 4 chopstick holders on the door

Secure storage for long guns

This model was designed for firearms owners concerned about **safety** and **regulatory compliance** . With a capacity of up to **10 rifles or shotguns** , it offers an excellent size-to-security ratio. The foam rack ensures proper separation between firearms, preventing barrels or stocks from colliding.

Digital lock with emergency key

The integrated **electronic lock** allows for quick opening via code, ideal for frequent use. If needed, a **spare key** is concealed behind the easily accessible battery compartment. This dual system enhances the product's **reliability** .

Secure ammunition compartment

An **internal lockable safe** is provided for storing **ammunition** or sensitive items. Its dimensions allow for the storage of several boxes of cartridges or shooting accessories.

- **Usable dimensions of main compartment:** 123 x 44 x 26 cm
- **High shelf:** removable, 14 cm wide
- **Maximum space for weapon:** 143 cm (without shelf)
- **Interior lining:** scratch-resistant grey carpet
- **Fixing required:** to the floor or wall (kit included)

Compliant with the requirements for category B weapons

This safe meets the requirements for the **secure storage** of Category B firearms. Its multi-point locking system and mandatory anchoring guarantee **optimal protection** against intrusion. It is also suitable for the preventive storage of **Category C and D** firearms, in a home or professional setting.

Home delivery included

Delivery is free within mainland France, to ground floor level via courier. The product is delivered **unopened** . For Corsica, a **flat fee of €50** applies. **Collection is available directly from your gunsmith** or can be shipped to your home upon request.

FAQ

Is the safe suitable for category B weapons?

Yes, this safe meets the requirements for storing category B weapons with a secure lock and mandatory wall or floor mounting.

How many weapons can be stored there?

The safe can accommodate up to 10 long guns, depending on their size (with optics, stocks, etc.).

Does the lock work without batteries?

In case of discharged batteries, a backup key is provided behind the battery compartment to manually open the safe.
