**A rifle, red dot, and ammo set for defense!**

Pack consisting of:

- 1 Country ST tactical over-and-under shotgun with short barrels
- 1 very resistant tubular red dot
- 2 boxes of 5 Concorde Defender rubber bullet cartridges.

The Country MC269T Tactical ST is a resolutely modern and tactical bullet shooting rifle.

- Superimposed barrels with cylindrical fixed choke
- Composite stock and tulip forend for excellent resistance to wet environments
- Shock-absorbing butt plate
- Lightweight ergal rocker with black finish
- Selective single trigger
- 21mm Weaver rail on top of the receiver for mounting an optic or red dot
- 21 mm weaver rail at the muzzle of the barrel for mounting accessories such as lamp or laser

A modern slug with its black composite elements and a tactical dimension thanks to its compactness and Weaver rails for mounting optics and accessories.

Compact and light, it will allow you to take dazzling shots at a company of wild boars crossing in front of you.

Its composite stock and handguard also provide excellent resistance to bad weather and humid and marshy environments. The composite also provides great resistance to impacts and scratches.

In addition, the composite material requires little maintenance and will last over time.

With the COUNTRY ST TACTICAL you will be able to hunt big game on a drive, especially during the autumn and winter period without fear of damaging it.

A robust quality rifle, resistant to the worst treatment you will subject it to.

Be careful, rubber bullets are deadly up to 15 m!
