A light, comfortable and breathable t-shirt with a water-repellent surface.

The elasticity of its fabric makes it comfortable to wear and allows great freedom of movement.

It also has zipped pockets on the sleeves and on the sides with cable passage for headphones.

With the making of the shoulders without seams, it avoids friction and tensions that may be due to wearing a plate carrier, a bulletproof vest or even a backpack.

Its versatility allows it to be used either for routine service, or training and instruction.

- Round collar
- Anatomic cut
- 60% cotton and 40% polyester
- YKK zippers

**See the size guide in the product photographs.**

Products only reserved for members of administrations and security professionals.
