- Fireproof Helmet
- The helmet and its components are resistant to all weather conditions.
- Weight depending on size between 1250 g and 1400 g
- Available in size S, M, L and XL
- Available in various colors (Black, OD Green, Coyote, Multicam, Olive and other colors on request)
- Possibility of mounting ARC side rails, support for NVG or top velcro panel.

Ballistic protective helmet complying with NIJ 0104.01, NIJ 0106.01 and NIJ 0108.01 standards.

It provides, thanks to its internal foams, and its contained weight, wearing comfort as well as a secure hold of the helmet on the user's head.

Its BOA adjustment system allows a quick, precise and easy adjustment of the helmet.

Size chart / head circumference:

S=53-56cm

M=56-59cm

L=59-62cm

XL=62-65cm

ATS offers various evolutions for their helmets, such as different internal foam panels, bulletproof visors or masks, helmet covers or even carrying bags.

Products only reserved for administrations and security companies, as well as their members
