A special "desert" version for clone of the American MARSOC 1911.

The ZIG M1911 based on a 1911 Government resuming its original lines with however, multiple evolutions. It is equipped with fixed sights of the combat type, with a dovetail mounting, an elongated "beaver tail" safety pedal, for better grip, a perforated stainless steel trigger , gripping grooves at the front and rear of the cylinder head, facilitating loading and unloading maneuvers.

It is equipped with VZ GRIP plates in G10 providing bite and excellent grip of the weapon.

Its lower Picatinny rail allows the mounting of a laser or lamp.

With internals compatible with COLT Series 70 parts, the ZIG 1911 provides an excellent basis for performance enhancement and customization.
