A versatile maintenance and cleaning easel for long guns

- Robust station made of steel, plastic and rubber
- Adjustable in length by 46.5 cm and in height by 6 cm, to adapt to all rifle and shotgun profiles
- Adjustable tilt to level the weapon
- Easy to use
- Firm hold of the weapon with one-handed attachment.
- Allows cleaning of the barrel, the weapon and the mounting of optics
- Housing and location for tools and solvents

The REAL AVID cleaning station is the most versatile and advanced on the market.

Simple and intuitive to use, it allows you to carry out cleaning, assembly and maintenance operations on your long weapons.

Its plastic and rubber jaws offer a perfect adaptation to all shapes of stocks, frames and handguards, while guaranteeing a firm hold on the weapon, thanks to its one-handed tightening handle.

Easily adjustable in length, height and inclination, the REAL AVID workstation allows level work for all long guns.

It has numerous clever compartments for storing tools, chopsticks as well as bottles of oils and solvents.
