A simple, effective EDC companion ready for the unexpected.

The first model in the RAV line, the Real Avid RAV-1 is a reliable and affordable folding knife, ideal for everyday use. It features a 8.25 cm modified Clip Point blade made of 4Cr14 steel with a black anti-glare finish. Its durable nylon handle provides a good grip and excellent durability. The liner lock ensures optimal safety during use. Lightweight, discreet, and handy, the RAV-1 is the ideal tool for those looking for a simple but always ready utility knife.

- **Blade length** : 8.25 cm (3.25")
- **Steel** : 4Cr14 stainless steel
- **Finish** : black oxide
- **Profile** : Modified Clip Point
- **Cutting edge**: Smooth

- **Use** : EDC, professional, utility

The **RAV-1** is the ideal [folding knife](#) for those looking for a simple, efficient, and reliable tool for everyday tasks. Compact, robust, and well-designed, it adapts to any situation without any frills.

Multipurpose Clip Point Blade

The **4Cr14 stainless steel** blade offers a good compromise between hardness, corrosion resistance and ease of maintenance. The **modified [Clip Point profile](#)** allows for a precise cutting edge and good penetration, ideal for efficient cutting, scraping or opening.

Nylon handle: light and robust

The **nylon handle**, textured for better grip, ensures a good grip even in wet conditions. Its ergonomic design limits fatigue during prolonged use. The **center of gravity positioned at the index finger** promotes cutting control.

Security and discretion

The **liner lock** securely locks the blade in the open position, preventing accidental closure. Opening is **manual**, using an ambidextrous lug. The **deep, discreet** carrying clip keeps the knife accessible without

being visible.

The essentials, without compromise

The RAV-1 focuses on simplicity and practicality. Its universal size, ease of use, and robustness make it a reliable everyday companion, whether you're a craftsman, technician, or EDC enthusiast.
