The RAV-2 EDC folding knife from the famous company Real Avid.

Designed to be ready to use, this carry knife features an aluminum handle and a 3.25-inch 8Cr13MoV blade with a black oxide finish. Featuring a liner locking mechanism and assist spring, the Rav-2 guarantees quick and safe deployment in all situations.

- Handle material: Aluminum
- Blade length: 3.25 inches.
- Blade Profile: Drop Point
- Blade material: 8Cr13MoV
- Blade Finish: Black Oxide
- Lock type: Liner Lock

The 8Cr13MoV stainless steel blade is resistant to conditions of use and bad weather. The aluminum handle is lightweight and durable, and the applied frets help you grip the knife more firmly. The center of gravity is located at a height between the index and middle fingers, which facilitates use. The Liner Lock protects against accidental closing of the blade.

The blade is Drop Point profiled, which provides better performance during use. The spring-assisted flip allows the blade to be extended effectively. The back of the blade is grooved for better thumb support. Manufacturer's markings are on the clip and both sides of the blade. The clip itself can be unscrewed and attached to the other side, as it is secured by two Torx screws.
