The RAV-5 EDC folding knife is designed to meet everyday challenges. It will be appreciated by anyone who needs a robust and simple tool that will perform the task assigned to it well.

The Real Avid RAV-5 is a premium folding knife designed to meet the most demanding tactical EDC requirements. It combines a durable, easy-to-maintain 8.6 cm Drop Point blade made of titanium-finished 8Cr13MoV steel with an innovative aluminum and carbon fiber handle for optimal handling. Its assisted opening and liner lock ensure fast and secure use. Aesthetic and reliable, it easily integrates into field equipment or everyday professional use.

- **Blade length** : 8.6 cm (3.4")
- **Steel** : 8Cr13MoV stainless steel
- **Finish** : titanium
- **Profile** : [Drop Point](#)
- **Handle** : aluminum + carbon fiber (CF)
- **Locking** : Liner Lock
- **Opening** : spring assisted
- **Clip** : belt, reversible
- **Use** : EDC, tactical, outdoor

Part of the **RAV Series**, the RAV-5 [folding knife](#) is a technologically advanced knife for users looking for performance and compactness. Designed to handle all everyday and unexpected scenarios, it stands out for its precise construction and cutting-edge materials.

A blade ready to take a hit

Forged from **8Cr13MoV steel** and finished with a **titanium alloy**, the RAV-5's **Drop Point blade** delivers a long-lasting edge, resists corrosion, and remains easy to sharpen. Its versatile shape allows for perfect control of both fine and deep cuts.

High performance handle

The **aluminum and carbon fiber handle** combines strength, lightness, and modern design. Grooved to improve grip, it ensures a secure hold even in extreme conditions. The **center of gravity** positioned on the index finger facilitates precise and natural movements.

Safety and ergonomics

Thanks to the **liner lock** mechanism, the blade remains firmly locked once deployed. The **assisted opening** allows for smooth and rapid deployment with one hand, a crucial asset in emergency situations. The carrying clip is **reversible** , to suit all users.

Versatility and sobriety

With its understated aesthetic, low weight, and high-tech materials, the RAV-5 is ideal for professional, tactical, or outdoor use. Compact and powerful, it's ready to tackle any daily mission.
