Designed for **everyday carry (EDC)** and **rapid response**, the Real Avid RAV-7 folding knife combines precision, durability, and ease of use. Whether opening a package, carving wood, or dealing with an unforeseen situation, the RAV-7 stands out for its efficiency and discretion.

A blade ready for anything

With its 3.25-inch (8.25 cm) **Drop Point** blade made of **8Cr13MoV** stainless steel with a titanium finish, the RAV-7 offers an excellent balance of sharpness, strength, and oxidation resistance. The titanium finish provides lasting protection against wear and the elements.

G10 handle: ergonomics and robustness

The textured handle made of **G10** , a reinforced polymer, ensures a firm grip, even with gloves or in wet weather. Its ergonomic shape allows for comfortable handling over long periods. The **center of gravity centered on the index finger** improves cutting control.

Safety mechanisms and speed

The **liner lock** system prevents accidental closure. Thanks to its **assisted spring** , the blade deploys quickly and smoothly, making it an ideal ally in emergency situations.

Discreet and versatile transport

A discreet **belt clip** allows for a low, secure fit. It is **reversible** for both left- and right-handed users. Its lightweight and compact design make it ideal for **everyday use** in urban, tactical, or outdoor environments.
