The RAV-7 knife is designed for everyday carry.

This carry knife features a G10 handle and a 3.25 inch 8Cr13MoV blade with a titanium finish. The grooved patterned handle allows the knife to be gripped and held securely. A metal clip allows the knife to be attached to the belt securely.

- Handle material: G10
- Blade length: 3.25 inches.
- Blade profile: Drop Point
- Blade material: 8Cr13MoV
- Blade finish: Titanium
- Lock type: Liner Lock
- Assisted Spring

The 8Cr13MoV stainless steel blade is resistant to conditions of use and bad weather. The G10 handle is lightweight and durable, and its interesting design allows for a better grip on the knife. The center of gravity is located at the index finger, which facilitates use. The Liner Lock protects against accidental closing of the blade.

The blade is Drop Point type, which provides better performance during use. The spring-assisted opening allows the blade to be extended effectively. The back of the blade is straight, allowing you to rest your thumb anywhere. Manufacturer's markings are on the clip and both sides of the blade. The clip itself can be unscrewed and attached to the other side, as it is secured using two Torx screws.
