The FN 545 Tactical: the ultra-high capacity large caliber pistol!

Very large capacity in 45 ACP of 18+1 cartridges! Pistol designed for sound suppressors: threaded barrel, hausse and high front sights for aiming above the silencer.

Pistol pre-equipped with a low profile interface for mounting a red dot in minutes.

- Up to 19 rounds (18+1): ultra-large capacity in .45 ACP
- Precision adjusted trigger with clean start
- 12 cm barrel in forged and cold hammered steel with chamfered mouth
- Thread .578x28
- High resistance conical striker
- One 18-round extended magazine and one 15-round magazine included
- Picatinny rail
- Sights mounted on dovetail
- Slide prepared for optics mounting

Nothing is left to chance with a capacity of 18+1 rounds, setting an unrivaled standard in magazine content for the .45 ACP caliber. Prepared for suppressors, equipped with a threaded barrel and a sight aligned with most MRD sights, this pistol, ahead of its competitors, is further improved thanks to the proven ergonomics of the FN 509® Tactical .

Shooters can mount their favorite red dot optic in minutes, providing precise control at their fingertips. Featuring a high-endurance firing pin and a crisp trigger with a throw of approximately 6 pounds, the FN 545 Tactical embodies what other big-caliber pistols aspire to become when they grow up. A seamless fusion of capacity, versatility and precision, this pistol redefines expectations in the world of large caliber firearms.

1. Impressive Capacity:

- 2 magazines (1x15 rounds + 1x18 rounds) in .45 ACP, setting a benchmark in magazine capacity.

2. Advanced Optical Interface:

- Take advantage of the low-profile optical interface, offering unrivaled versatility.

3. Precision Trigger:

- Precision adjusted trigger with crisp takeoff, providing ultimate control.

4. Ambidextrous Controls:

- Fully ambidextrous controls for easy handling.

5. Improved handling:

- Handle with improved grip for unparalleled control.

6. High Performance Barrel:

- 12 cm long barrel, cold hammered with chamfered muzzle for long-lasting accuracy.
- Polished chamber and fuel rail for smooth operation.
- .578“ x 28 threaded barrel for mounting compensator or sound moderator.

7. Multipurpose Slide:

- Slide prepared for mounting most optics, eliminating the need for a gunsmith.
- Machined steel with front and rear grip grooves, loaded chamber indicator.
- Steel dovetail sight aligned with most MRD optics.
- High resistance conical striker.

8. Efficient Chargers:

- 18-round extended magazine and 15-round magazine.
- Low friction conveyor, polymer bottom plate and nickel plated steel body.

9. Ergonomic Carcass:

- Superior balance and recoil-absorbing grip texture, allowing for perfect control.
- Precision trigger with a clean start at approximately 2.72 kg.
- Interchangeable grip backs for optimal customization.
- MIL-STD-1913 (Picatinny) accessory mounting rail.

10. Intuitive Operating Controls:

- Fully ambidextrous slide catch and magazine catch.

Comes with a Complete Set:

- Two interchangeable grip backs.
- An 18-round magazine and a 15-round magazine.
- Four MRD mounting plates.
- User Manual.
- Locking device.
- Premium case with zipper.

Experience operational perfection with the FN 545 Tactical, an unrivaled choice for demanding big-caliber enthusiasts.
