Tisas is back in force with its new 2011 double column magazine: the Double Stack.

The Night Stalker model has several characteristics that make it an ideal weapon for TSV:

- A magazine well equipped with a “Magwell” to facilitate reloading
- “Optic ready” weapon compatible with red dot 507K and RMSC
- 17-round stainless steel magazine
- Openwork hammer
- Picatinny rail
- Grip ridges on the rear of the slide
- Openwork breech
- GLOCK compatible fiber optic sights on dovetail
- Extended safety pedal
- Ambidextrous safety
- Forged steel barrel, with .578x28 thread for adding a suppressor
- CERAKOTE Gray finish

The Night Stalker is the ultra accomplished version of the 2011 from TISAS.

Designed for performance, it ensures significant grip, shooting stability and great precision.

Its platinum gray Cerakote finish makes it stand out from the crowd for an incomparable design.

It is equipped with high sights for use with a sound moderator but also with the red dot.
