The most advanced double stack optic ready on the market!

An exceptional weapon developed for performance, the APACHE is a testament to superior engineering and American excellence.

- 4.25" slide with deep grip ridges on the front and rear
- 4.6" barrel in 416R steel and compensator
- Comes with 3 Dawson Precision recoil springs of 7-8-9 lbs (8 lbs spring fitted as standard)
- Straight trigger tail
- Ambidextrous safety
- Composite stock grip
- Flared Magwell
- High fiber optic sights
- Optic ready compatible RMR / SRO / Holosun 507C
- PVD surface treatment for slide, barrel and all major parts.
- Delivered in its case, with three 7, 8, 9 lb recoil springs, a 17-round magazine and a 20-round magazine.

A true match weapon, the Apache is a jewel that represents the best in handguns.

Developed in collaboration with the American shooter PIEWVIEW, this 2011 is made only for performance, precision and speed of shooting. No detail has been left to chance between its prominent gripping grooves, its compensator, its grip, its travel and its trigger weight...

The Apache is a true extension of your hand while offering a crazy aesthetic...

Equipped with a PVD treatment, it offers multiple functions. Being ultra resistant, it will protect the weapon from scratches and knocks, while facilitating cleaning, thanks to its non-porous surface.

In addition, the PVD brings incredible fluidity to the mechanics.
It will outclass any 1911 you find on the market.
