For long-distance sport shooting

The **ELEY Extreme Long Range .22LR** is designed for demanding sport shooters practicing precision disciplines beyond 100 m. Compatible with the Precision Rimfire, Benchrest, NRL22, NRL22X or Steel Challenge, it offers perfect consistency and smooth chambering.

Consistent ballistic performance

Featuring a round-nose bullet and an exclusive ELEY primer, this ammunition guarantees stable ballistics with velocities and energies optimized for long range. It allows for tight groupings even in windy conditions or at very long ranges.

Measured speed & energy

- **At the mouth:** 335 m/s - 145 J

Take your .22LR sport shooting to the next level with the ELEY ELR cartridge: the benchmark ammunition for reaching the 100-meter mark with precision.
