Multipurpose chargers for AR15 platforms

Designed for **5.56 NATO / .223 Rem** caliber weapons, these 30-round Amend2 magazines are a perfect fit for AR15/M4/M16 rifles. Their **high-strength polymer** construction provides excellent durability, even in extreme conditions.

Quick identification thanks to differentiated colors

The **tri-color pack** includes two magazines in each of the most commonly used tactical colors: **Black** for standard use, **Tan** for desert environments, and **OD Green** for forest or mixed terrain. This is an excellent way to differentiate your ammunition types or uses by color coding.

Internal components optimized for reliability

The magazines incorporate a **fluorescent red anti-tilt follower** to prevent feeding incidents, as well as a **non-corrosive stainless steel spring** designed to withstand long-term storage without loss of tension. The **flared base** improves rapid handling in the field.

FAQ

Are these magazines compatible with all AR15s?

Yes, they are designed for standard AR15/M4/M16 platforms in 5.56 mm / .223 Rem caliber.

What are the three different colors used for?

The colours allow for the quick identification of different types of ammunition or weapons in the field.
