## The Audere HMB stainless steel finish muzzle brake combines performance and style, providing effective recoil reduction and a refined aesthetic for your weapon.

Designed to meet the expectations of sport shooters, hunters and professionals, the Audere HMB muzzle brake with stainless steel finish guarantees exceptional recoil management and limits barrel rise. Its stainless steel construction gives it superior durability, even in demanding conditions of use. Compatible with a wide variety of standard calibers and threads, it is as easy to install as it is effective. Its stainless steel finish adds a touch of elegance and modernity to your equipment, for a neat look.

### Technical characteristics

- **Material** : High strength stainless steel
- **Compatible calibers** : 6.5, .30/7.62, 9.3
- **Available threads** : 1/2"-20, M14x1, M15x1, 5/8"-24, M18x1
- **Dimensions** : Compact and balanced design
- **Weight** : Light so as not to weigh down the weapon
- **Resistance** : Resistant to corrosion and extreme conditions
- **Directional Ports** : Optimized for precise throttle control

With the Audere HMB muzzle brake with stainless steel finish, improve the performance of your rifle while enhancing its aesthetics. This device reduces recoil by up to 70% thanks to an

ingeniously designed directional port system. Made of stainless steel, it is perfectly resistant to wear, corrosion and extreme conditions, guaranteeing increased longevity. Its shiny or matte stainless steel finish blends perfectly with modern and classic weapons. Ideal for sport shooting enthusiasts, hunters and tactical professionals, this muzzle brake ensures more comfortable, precise and fast shots, while adding a touch of sophistication to your weapon.
