Optimize your shooting performance with the Imperium™ Short muzzle brake, designed to significantly reduce the recoil and lift of your rifle.

The IMPERIUM™ SHORT Muzzle Brake is designed for military, law enforcement, and sport shooters. Made of high-grade steel with a black nitrided finish, it provides significant reduction in recoil and barrel movement, improving accuracy and shooting comfort. Mounting hardware is included for easy installation.

Technical characteristics:

- **Available calibers:** .30 / 7.62
- **Available threads:** 5/8"-24, M18x1
- **Weight:** 95g depending on the model
- **Material:** High quality steel
- **Finish:** Black Nitriding
- **Mounting hardware:** Included

Ideal for military, law enforcement and sport shooters, this high-quality steel muzzle brake with black nitride finish ensures increased stability and improved accuracy with every shot. Its compact design makes it easy to install and transport, while maintaining optimal performance. Compatible with .30 / 7.62 caliber rifles, it is available with 5/8"-24 or M18x1 threads, adapting to various weapon configurations. Weighing 95g for the 5/8"-24 model and 87g for the M18x1, it does not weigh down the weapon, allowing for easy handling. The Imperium™ Short muzzle brake comes with the necessary mounting hardware, ensuring simple and secure installation.
