Effectively reduce the recoil and lift of your weapon.

The IMPERIUM™ Muzzle Brake is designed for demanding shooters, whether military, law enforcement or sports. Made of high-grade steel with a black nitrided finish, it offers significant reduction in recoil and barrel lift, improving accuracy and shooting comfort. Comes with an adjustment nut for easy installation.

Technical characteristics:

- **Caliber:** .30 / 7.62 mm
- **Available threads:** 5/8"-24, M18x
- **Weight:** 115 g
- **Length:** 63 mm
- **Outer diameter:** 24 mm
- **Material:** High quality steel
- **Finish:** Black Nitriding
- **Accessories included:** Adjustment nut

The IMPERIUM™ Muzzle Brake is distinguished by its robust design and proven effectiveness. Its high-grade steel construction ensures exceptional durability, while the black nitrided finish offers increased resistance to corrosion. By effectively reducing recoil and barrel lift, this muzzle brake improves the stability of the weapon during shooting, promoting better accuracy and increased comfort. Available in multiple threads, it fits a wide range of .30 / 7.62 mm caliber weapons. The included adjustment nut makes installation and adjustment easy, allowing users to customize the alignment of the muzzle brake to their preferences. Whether you are a professional or a passionate amateur, the IMPERIUM™ Muzzle Brake is an essential accessory to optimize the performance of

your weapon.
