Improve the accuracy of your shots with the Audere QS Close Quarter Muzzle Brake, designed to effectively reduce recoil and lift of your .223/5.56 caliber rifle.

The Audere QS Close Quarter muzzle brake is specifically designed for automatic and semi-automatic weapons, ensuring a significant reduction in recoil and muzzle movement. Made from high-quality steel and finished in black nitride, it offers exceptional durability even under intensive use conditions.

Technical characteristics:

- **Caliber** : .223/5.56
- **Thread** : 1/2"-28
- **Weight** : 105 grams
- **Material** : High quality steel
- **Finish** : Black Nitriding
- **Installation system** : Self-centering

Ideal for armed forces, law enforcement and sport shooters, this high-quality steel muzzle brake with black nitrided finish ensures increased stability and better control of the weapon. Its self-centering installation system facilitates assembly, ensuring precise alignment without the need for additional tools. With a weight of 105 grams, it maintains the balance of the weapon without weighing it down. The 1/2"-28 thread makes it compatible with a wide range of rifles in .223/5.56 caliber.

Maximize your shooting performance with the Audere QS Close Quarter Muzzle Brake, a reliable choice for shooting professionals and enthusiasts.
