YTS115	BUSHING POUR CANON DE 1911	Vente libre	43.00 € incl. tax

Compatible with most 1911 models, this bushing is ideal for sport and professional shooters looking to optimize their weapon for accurate and consistent shooting.

The 1911 pistol barrel bushing plays a key role in the mechanics of the weapon. Placed at the front of the barrel, it acts as a guide ring, holding the barrel firmly in position while allowing its necessary movements during the firing cycle. This mechanical stability is essential to reduce vibration, improve accuracy and extend the life of the components.

Compatible with Colt 70 series pistols.
