- Made of 7075-T651 aluminum
- Finished with Type 3 hard coat anodizing (MIL-A-8625 TYPE 3)
- Sold in pairs

The AUDERE PSR Dovetail scope rings are specifically designed for precision shooters and professionals requiring reliable optical support. Made from 7075-T6 aluminum, these rings offer maximum strength while maintaining the lightness essential for high-performance configurations. Compatible with dovetail rails, their design ensures a rigid hold and easy installation, essential for accurate and repeatable shots.

Their optimized height accommodates a wide variety of precision scopes, while ensuring perfect clearance of the optics from the weapon. Thanks to their reinforced clamping system, PSR Dovetail

rings eliminate any variation or slippage under the effect of recoil, ensuring consistent alignment. Their black anodized finish ensures corrosion resistance and a discreet, professional look, perfectly suited to demanding environments.

With PSR Dovetail rings, you benefit from a cutting-edge technical solution to stabilize your optics, whether for sport, tactical or military shooting.
