The civilian version of the US Navy Seals MK18 SBR (Short Barrel Rifle)

The MK18 is designed to meet the demands of special forces and professional shooters. With its short 10.3-inch barrel and ultra-robust RIS II rail, it offers exceptional maneuverability without compromising performance. Ideal for close-quarters combat and operations in confined environments.

- Compact (10.3'' barrel or 26.16 cm) with 1:7 rifling pitch
- Lightweight and adaptable thanks to its 4 Picatinny rails on the front.
- Cerakote FDE coating.
- Supplied in polymer case with 1 10-round magazine.
- Mil-Spec Brown
- Made in USA.

Daniel Defense's **MK18** is a benchmark model in the world of tactical weapons. Its 10.3-inch, cold-forged barrel is optimized for exceptional ballistic performance in a compact format. Its 5.56 NATO chamber ensures compatibility with a wide range of ammunition, offering versatility in the field.

The RIS II rail system, developed for the American SOCOM, allows the quick and secure installation of various accessories such as optics, foregrips or lighting systems. The six-position stock offers maximum adaptability to fit all body shapes and shooting styles.

Built for heavy-duty use, the MK18 features a durable Cerakote coating that protects against wear and corrosion. Its legendary reliability makes it a favorite choice for demanding shooters.
