AR15 fully ambidextrous

The **DD4 MK18 RIII** is designed for tactical operations requiring high maneuverability and optimal firepower. Its 10.3-inch barrel guarantees exceptional accuracy in a format adapted to confined environments. Equipped with the new RIS III rail, lighter and M-LOK compatible, this rifle is designed for customization and efficiency.

Technical characteristics

- **Barrel Length:** 10.3 inches
- **Barrel Type:** Cold Hammer Forged (CHF) 1:7" pitch with "Government" profile
- **Caliber:** 5.56 NATO
- **Thread:** 1 ? 2 × 28 TPI
- **Rail:** RIS III, 6061-T6 aluminum, M-LOK compatible
- **Finish:** Flat Dark Earth (FDE)
- **Gas System:** Carbine-Length
- **Materials:** 7075-T6 Aluminum for receiver
- **Total weight:** 2.72 kg (weapon only)
- **Overall length:** 67.5 cm (stock retracted) to 73.7 cm (stock extended)

- Lower: Mil-Spec with improved flared magazine well and rear receiver QD swivel attachment point. CNC machined from 7075-T6 aluminum, Type III anodizing
- Upper: CNC machined from 7075-T6 aluminum, type III anodizing
- Barrel: Cold-forged, chrome-plated steel, 10.3" (26.16 cm) long, 1:7 rifling, Mil-Spec heavy phosphate coated, HP/MPI tested

- Gas Block: Low profile pinned gas block CNC machined from hardened 4140 steel and Mil-spec heavy phosphate coating, carbine length, direct impingement
- Muzzle Device: Daniel Defense 17-4 PH Stainless Steel Muzzle Brake
- Housing profile: Type M16, Mp tested, chrome lined
- Handguard: Daniel Defense MK18 RIS III, (M-lok) CNC machined from 6061-T6 aluminum (very strong and durable alloy, with excellent corrosion resistance), type III hard coat anodized.
- Cocking Lever: Grip-N-Rip, CNC machined 7075-T6 aluminum body (high strength alloy, widely used in aerospace and weaponry), CNC machined 6061-T6 aluminum handles and latch
- Stock: Daniel Defense Buttstock, glass-filled polymer with soft-touch overmold
- Pistol grip: Daniel Defense polymer with overmolding identical to the stock
- Made in USA

Sale reserved for law enforcement via gunsmith on proof of purchase order from the administration.
