The Mobetta FoldAR pistol with 12.5-inch barrel is designed to deliver superior performance in a compact and transportable configuration. Featuring the patented FoldAR folding system, it reduces the overall length of the weapon for easy transport, while being ready to use in an instant.

The 4150 CMV steel barrel, coupled with a 5.56 NATO chamber, provides exceptional accuracy, even at long ranges. The direct impingement (DI) gas system ensures proven reliability, even during extended firing. Its compatibility with standard AR-15 magazines makes it versatile and suitable for various tactical or sporting scenarios.

The integrated M-LOK rail makes it easy to add accessories like optics, lights, or grips, while its tough matte black finish ensures maximum durability against the elements. With the perfect balance of length and portability, this FoldAR pistol is an ideal solution for demanding shooters.
