The SureFeed 30-Round Polymer Magazine in 5.56x45mm/.223 Rem is designed to provide the perfect balance of lightweight, ruggedness and performance. Made from high-grade reinforced polymer, it withstands shocks, drops and the harshest weather conditions, while remaining remarkably lightweight. Its ergonomic design and textured surfaces ensure optimal grip, even with gloves. The integrated anti-tilt elevator eliminates jamming problems and guarantees constant feeding, even during intensive shooting

sessions.

The high-strength stainless steel internal spring maintains its tension over the long term, preventing any weakening over time. Each magazine is rigorously tested to military standards to ensure reliability in the field.

Compatible with AR15, M4 and similar platforms, this magazine is designed to meet the needs of security professionals, sport shooters and the armed forces. For unmatched performance in any situation, choose the SureFeed polymer magazine.
