- G10 Grips
- Aluminum trigger tail
- Capacity 7+1

The Kimber Desert Warrior .45 ACP is designed to deliver power, reliability and ruggedness in the toughest conditions. Used by armed forces and security professionals, it combines tactical design with superior performance.

Tactical Design and Finishing

The Desert Warrior's receiver and slide are made of stainless steel with a KimPro II Desert Tan coating, ensuring optimum resistance to corrosion and wear. The machined surfaces ensure a firm grip and facilitate handling, even with tactical gloves.

Textured G10 grips provide exceptional non-slip grip, essential in demanding environments. Its ergonomic design and enhanced gripping surfaces allow for safe and fast handling, even under pressure.

Accuracy and Combat Power

Equipped with a 5-inch match-grade barrel, the Kimber Desert Warrior guarantees surgical precision with every shot. Its adjustable match trigger provides a clean and consistent release, ensuring optimum control during sustained fire.

The sighting system features tactical tritium dot sights, ensuring maximum visibility day or night. The ambidextrous safety and widened trigger guard allow for comfortable use for both right and left-handed shooters.

Each weapon is rigorously tested at the factory to ensure reliable performance right out of the box. Built to last, the Kimber Desert Warrior is a strategic choice for tactical missions and professional shooting.
