Combining advanced technology and superior comfort, the Sordin Supreme Pro-X Blaze is designed for sport shooting enthusiasts and security professionals.

Equipped with waterproof microphones, the Supreme Pro-X Blaze captures ambient sounds and faithfully reproduces them, while attenuating harmful noises beyond 82 dB. This feature allows for clear communication and increased situational awareness during your shooting sessions. The integrated LED light, discreetly positioned on the left hull, provides convenient illumination in low light conditions, easily activated by pressing the "+" and "-" buttons simultaneously.

Gel ear cushions ensure exceptional comfort, even during extended use, while the ergonomic design accommodates both right- and left-handed shooters. With a battery life of approximately 600 hours on two AAA batteries, this headset is ready for the longest sessions. The AUX input allows you to connect external audio sources, such as radios or MP3 players, offering increased versatility.

The Supreme Pro and Supreme Pro-X headphones attenuate harmful sounds to a safe level below 82db(A) while integrating the “Hear2” system which offers 4 modes of amplification of ambient sounds:

- Hunt: Balances voices and ambient sounds for comfortable listening.
- Focus: the highest amplification on all frequencies for maximum listening.
- Shot: Filters out unnecessary and harmful frequencies for better concentration.
- Comms: Turns off ambient sound and only keeps the sound from devices plugged into the 3.5mm jack.
