- Standards: EN 300 328, EN 301 489-17, EN 301 489-3, EN 301 489-1

Why Choose MSA left/RIGHT™?

1. Personalized Comfort

The unique left/RIGHT™ technology features independent ear cups, individually adjusted to each ear, ensuring superior comfort even during long shooting sessions. The padded ear cushions and adjustable headband allow for a perfect fit for each user.

2. Superior Hearing Protection

With a high SNR rating, the MSA left/RIGHT™ effectively protects against sudden impact noises such as detonations. Its wraparound design ensures maximum reduction of harmful noise while allowing you to remain alert to essential surrounding sounds during shooting activities.

3. Resistance and Durability

Made with rugged materials, this headset withstands the most intense usage conditions. Its waterproof design ensures consistent performance, even in wet or dusty environments.

4. Design Adapted to Sport Shooting

Its slim, low-profile design is ideal for use with rifles and long guns, allowing for a comfortable shoulder fit. The left/RIGHT™ helmet does not compromise shooting position or comfort, even during extended shooting.
