SILICONE PADS Kit... Finally a helmet that is comfortable to wear!!

Designed to restore comfort and sound insulation, it is essential for regular users wishing to maintain impeccable hygiene.

- Silicone pads
- HP foams

Benefits for Users:

- **Easy Installation:** The kit components are simple to install, allowing for a quick upgrade of your equipment.
- **Increased Durability:** By replacing the pads regularly, you extend the life of your headset and maintain effective hearing protection.
- **Hygiene Compliance:** Ideal for environments where hygiene is paramount, this kit ensures your equipment remains clean and safe to use.

Recommendations for Use:

For optimum performance, it is recommended to replace the pads once or twice a year, depending on frequency of use and environmental conditions.
