Protect your hearing with a rugged, comfortable, high-performance headset that's ideal for sport shooting, hunting, and noisy environments.

The NUM'AXES CAS1047 passive noise-canceling headset in orange offers effective sound attenuation of 27 dB, ensuring optimal protection in noisy environments. Designed for sport shooters, law enforcement and security professionals, it combines lightness and comfort thanks to its high-density foam pads and adjustable headband. CE EN 352-1 certified, it meets the most demanding safety standards.

Technical characteristics:

- **Sound attenuation:** 28 dB
- **Type:** Passive headset
- **Weight:** 250 g
- **Pad Material:** High Density Foam
- **Adjustment:** Adjustable hoop
- **Color:** Orange or Black
- **Standard:** CE EN 352-1

The use of a firearm or devices such as a lawnmower exposes the hearing aid to loud noises which can cause side effects (ringing in the ears, hearing loss, etc.).

This noise canceling headset is guaranteed for 2 years.
