The Schmeisser 1911 HUGO 5" combines the heritage of the 1911 design with modern technologies for an exceptional shooting experience. The 12.7 cm match barrel with 1:10" pitch guarantees maximum precision on every shot.

Carbon grips ensure a firm and comfortable grip, even during extended sessions. The adjustable LPA TRT rear sight allows for precise and rapid adjustment of the aim, meeting the needs of competitors and serious amateurs alike.

Available in Black, Thunder Bronze and FDE finishes, the 1911 HUGO 5" adapts to the aesthetic preferences of shooters. Its magazine capacity reaches 10 rounds in 9mm caliber and 8 rounds in .45 ACP, meeting sporting standards and performance requirements.

Every detail has been designed to optimize the reliability and longevity of the weapon, from the robust internal components to the precise and smooth trigger mechanism. The Schmeisser 1911 HUGO 5" embodies the quality and know-how of German gunmaking.
