Master every shot with surgical precision with Victrix Armaments rifles, designed for tactical missions and long-range shooting.

Victrix Armaments precision rifles are the ultimate choice for snipers, professionals and long-range enthusiasts. Each model combines cutting-edge Italian engineering and premium components to deliver unmatched performance in the field. Whether you're on a mission or competing, trust Victrix to achieve your most ambitious goals.

- Olive-rimmed barrel in AISI 416R with stainless steel finish, barrel outer diameter: 1''.
- Stock with horizontal and vertical adjustment, and an insulated cheek piece.
- Ergonomic, interchangeable zero-angle grip, standard for AR platforms
- High-strength monobloc chassis in light alloy
- Lightweight profile fork with reinforcement points for overall rigidity, with an integrated Anschutz-type rail for mounting a bipod.
- 20 MoA light alloy action rail
- Single-shot platinum in AISI 630.
- PVD finish on the mechanism and the breech.
- Victrix Sporting V Single-stage adjustable trigger: standard setting approximately 60 gr (2.12 oz)

- Explorer Cases carrying case cod. 13513
- User manual and welcome kit
- **Rifle scope and bipod not included**

Victrix Armaments rifles embody the excellence of Italian manufacturing and are designed to deliver exceptional accuracy, even in the most demanding environments. Each model is made with premium materials such as stainless steel and aircraft aluminum to ensure maximum strength and durability.

The stocks are adjustable for optimum comfort and accuracy, while the barrels are cold hammered for increased durability. The trigger system is fully adjustable, allowing shooters to customize their shooting experience to their preferences.

Performance Series rifles are available in multiple calibers suitable for long-range shooting disciplines and tactical missions. The integrated Picatinny rail ensures compatibility with a wide range of optics and tactical accessories.

Designed for professional, military and precision shooting enthusiasts, Victrix Armaments rifles are synonymous with consistent results and unbeatable performance.
