The reference in the TLD environment.

The Venus X from Victrix Armaments is the ideal weapon for sport and professional shooters looking for uncompromising precision. Combining ergonomic design, cutting-edge technology and high-quality components, it guarantees exceptional performance in the field and in competition.

- Lothar Walther hammer-forged rifled barrel made of special steel, CERAKOTE matte black finish
- Stock with multiple button horizontal and vertical adjustments and an adjustable insulated trigger guard, equipped with an Anschutz type rail.
- 10-round dual-feed, dual-stack metal magazine.
- High-strength, one-piece chassis made of light alloy.
- Lightweight profile fork with reinforcement points for overall rigidity and integrated Anschutz rail and lateral M-LOK® system. Integrated full-length Arca rail
- Ergonomic and interchangeable handle for the standard AR flat top
- Integrated 20 MoA action rail
- Victrix ProAngle Venus X 4-Chamber Removable Muzzle Brake
- Short barrel in AISI 630 made from a billet by milling and turning. Breech with six symmetrical lugs, equipped with grooves and an interchangeable breech lever.
- PVD finish on cylinder head and cylinder head.
- Victrix Sporting X single-stage adjustable trigger with two-position safety: standard setting approximately 700 gr (24.70 oz)
- Negrini transport case cod. 1640
- User manual and welcome kit
- **Rifle scope and bipod not included**

The Venus X from Victrix Armaments is designed for demanding shooters looking for a rifle that is both accurate and versatile. Its one-piece aircraft aluminum chassis ensures maximum stability while reducing the overall weight of the weapon, offering a perfect balance between robustness and maneuverability.

The cold-hammered stainless steel barrel ensures consistent, accurate shots even after hundreds of shooting sessions. The fully adjustable trigger system provides precise control, essential for competition or tactical shooting.

The ergonomic stock is customizable in length, tilt and cheek height, ensuring a perfect fit for every shooter. With its integrated Picatinny rail, the Venus X is ready to accommodate the most advanced tactical optics and accessories.

With a modern design and superior technical performance, the Venus X is the ideal weapon for sport shooting, precision competitions and tactical missions.
