High precision rifles for the demanding TLD shooter

Designed for special forces and security professionals, the Victrix Armaments Gladio X is a precision tactical rifle that combines ruggedness, shooting power and advanced ergonomics. Every detail is designed to deliver optimal performance in the most extreme environments.

- Lothar Walther hammer-forged rifled barrel made of special steel
- Stock with multiple horizontal and vertical adjustments, and adjustable insulated cheekpiece.
- 10-round dual-feed, dual-stack metal magazine.
- High-strength one-piece chassis in light alloy, ready to receive a picatinny rail.
- Octagonal elliptical fork with M-LOK® system, with an integrated one-piece 20 mm upper rail
- MoA and an integrated one-piece Anschutz-type rail for mounting a bipod
- Ergonomic and interchangeable handle for standard AR flat top platform
- Integrated 20 MoA action rail according to STANAG 4694/Mil std 1913
- Victrix ProAngle Gladio X 4-chamber removable muzzle brake.
- Short mechanism in AISI 630 made from a billet by milling and turning.
- Six-lug symmetrical breech, equipped with an interchangeable breech lever.
- PVD finish on the rocker and the breech.
- Victrix Professional X single-stage adjustable trigger with two-position safety: standard setting approximately 700 gr (24.70 oz)
- Negrini transport case cod. 1640
- User manual and welcome kit
- **Rifle scope and bipod not included**

The Victrix Armaments Gladio X embodies the essence of tactical precision shooting. Designed to excel in critical missions, it delivers pinpoint accuracy even in the harshest conditions. Its one-piece aircraft aluminum chassis ensures maximum stability and exceptional resistance to shocks and operational stresses.

The cold-hammered stainless steel barrel ensures consistent accuracy and exceptional durability. The smooth locking system allows for fast and efficient reloading, ideal for successive engagements in a tactical environment.

Its adjustable stock ensures perfect ergonomics, offering maximum comfort to the shooter. The integrated Picatinny rail allows the addition of precision optics and advanced tactical accessories for tailor-made performance.

Whether you are a special forces member, sniper or security expert, the Gladio X is the ultimate weapon for missions where every shot counts. Trust Victrix Armaments technology and expertise to achieve your objectives without compromise.
