- Front handguard cover with Picatinny rail L=172.5 mm (6.79")
- Wider bridge
- Ergonomic, interchangeable zero-angle grip for standard AR platform
- Mouth thread protector
- Action in AISI 630 machined from solid with an integrated 20 MoA rail
- Six-lug symmetrical cylinder head, equipped with grooves and an ergonomic and interchangeable cylinder head lever
- PVD finish on the action and slide
- Victrix Sporting Plus single-stage adjustable trigger with two-position safety: standard setting approximately 400 gr (14.11 oz)
- Heavy duty reinforced carrying case
- User manual and welcome kit
- Supplied without optics or bipod.

The Victrix Armaments ORB is a compact rifle specifically designed for missions requiring maximum precision in confined environments. Its aircraft aluminum chassis ensures exceptional robustness while maintaining an optimized weight for easy transport and rapid engagement.

The cold-hammered stainless steel barrel ensures accurate and consistent shots, even after long sessions. Its smooth locking mechanism ensures fast and safe reloading, essential for tactical operations.

The adjustable and folding stock allows for perfect adaptation to any situation and shooter's preferences. The integrated Picatinny rail offers options for mounting optics and tactical accessories for customized performance.

With its compact design and long-range shooting capabilities, the ORB is perfect for tactical operations, special operations and demanding sport shooting. Trust Victrix Armaments engineering to combine maneuverability and precision in a compact format.
