- Victrix Professional Plus trigger with two-position top safety: standard setting approximately 1000 gr (35.27 oz)

- Explorer Cases Carrying Case
- User manual and welcome kit
- **Rifle scope and bipod not included**

The Victrix Armaments Tormento is the epitome of power and precision at extreme long ranges. Designed to excel on the competition range and in operational environments, it delivers surgical precision thanks to its one-piece aircraft aluminum chassis, ensuring maximum rigidity and perfect control.

The cold-hammered stainless steel barrel ensures consistent performance, even after many shooting sessions. The smooth locking system allows for quick and safe reloading, essential for competitions where every second counts.

The ergonomic and fully adjustable stock provides optimal comfort and a perfect shooting position, suitable for all body types. Thanks to its integrated Picatinny rail, the Tormento is compatible with high-precision optics and advanced tactical accessories.

Whether you are a sniper, professional competitor or member of a special intervention unit, the Tormento from Victrix Armaments guarantees you perfect mastery of very long range shooting.
